Submission: Hi, As the landowner of [REDACTED] Cartwrights Hill I would just like to ask a few questions of how my property will be affected or looked at in the future being within the core industrial zone proposed? - Will it be Re zoned? - Will I be allowed to do future developments or improvements to my home and property? -What type of Industrial developments will likely be approved in the very near vicinity? - Will access to my property be changed or affected? - Will services to my property be changed or affected? - At any point will my property be forced or changed to be non residential? Any information available or person to contact at WWCC in regards to this would be much appreciated. Regards Gary Imrie [REDACTED]
