Submission: Dear Sir/Madam, Firstly, Riverina Water County Council is not listed on your feedback portal. Could you please append your records recognising existence of County Councils as local government councils in NSW? Secondly, initial review by NSW DoPIE has identified only two of our water supply sites (namely Lot 3 DP 577049 & Lot 1 DP 574436) as zoned Special Purpose SP2 within/adjacent to the Bomen SAP. These sites hosts our Bomen Reservoir and North Wagga Water Treatment Plant respectively. Riverina Water has additional water supply sites within/adjacent to the Bomen SAP, which are not currently zoned Special Purpose SP2. These are: • Lot 5 DP614169 – East Bomen Booster Pump Station • Lot 11 DP870800 – East Bomen Reservoir Site • Lot 2 DP706063 – Brucedale Booster Pump Station Could rezoning of these lands to Special Purpose SP2 be considered as a 'house keeping' exercise and to correctly reflect the Council's water infrastructure on these lands. Please contact me if you require any further information. Regards, Jason Ip Manager Operations Riverina Water County Council PO Box 456 WAGGA WAGGA NSW 2650
