Submission: I think the proposed re zoning of land to Mary Gilmore Road is a terrible idea. There are more suited land spaces in Wagga to have solar panels and other industry that will have far less impact on the magnificent farming land that you are proposing to destroy. I am amazed that the WWCC would be so careless in their actions to destroy the land, the surrounding farms, and the wildlife! As a resident of Wagga Wagga I strongly say NO to the proposed re zoning of the land to Mary Gilmore Road.
