Submission: Good evening, I would like it noted that I object to the SAP Development reaching as far as Mary Gilmore Road. I think it should end at Trahairs Road. This will stop any negative impacts of view, noise, smell or anything adversely affecting the residents of Brucedale and Mt Pleasant. I particularly object to anything spoiling the beautiful view that we currently have. This is where I have grown up and lived my life with the extreme good fortune to have lived in such a beautiful place that I do not want spoiled for my family and our future family. Please do not move the industrial SAP development past Trahairs Road. Thank you, Sophia Vecchio
