Hullo Tristan

Thank you for the opportunity to have a look at the Master Plan. Looks ok to me.
Unfortunately I will not be available to participate in the meeting. To this end, I have provided the following comments.

Comment: The latest archaeological record has indicated a timeframe of 120,000 years of

occupation not the 40,000 years as stated.

Comment: Wiradjuri Country extends into Victoria...as far as Shepperton and Benalla.

I can provide the references should you wish...

Hi Yalmabirra,

Trust you are keeping safe. Are you available for a meeting to discuss proposed master planning and development at Bomen in Wagga Wagga? We have representatives from Sydney coming to Wagga next week on Thursday the 13 of August, 2020. It would be excellent if we could meet with you or have a phone conversation to discuss planned activities.

Below is a link to the master plan for you to have a look at. Please don't hesitate to contact my mobile if you have any questions.
